THE TERRITORY'S VALUE

Origen is our most sincere homage to the efforts to all those who, for centuries, worked to bring the earth out from amongst the rocks, and formed the landscape we know today with their own hands. The world of dry stone, passageways, vineyard sea, country of traditions, the true cradle of our wines.

Brilliant ruby-coloured with violet reflections. Aromas of red and black fruit (**cherry** and **blueberry**) on a fragrant floral (**violet**) and citrus (**orange peel**) background. Herbal, dairy (strawberry yogurt) and balsamic (mint) notes. On the palate, it is well-balanced, smooth and fruity. Long finish reminiscent of **anise**.
