LET THE GATHERING BEGIN!

Records ("memories" in Catalan) is our social gathering wine. A solera mistela, barrel-aged and made with a coastal Mediterranean muscat grape's flower must. A sweet and complex wine that invites us to uncover long-forgotten words. To recover times and spaces of tranquil, enriching conversation. To listen to our neighbour and forge mutual understanding. To explain who we are and what we do. Find our place in the world. That only words and wine feed us. Let the gathering begin!

Amber in colour with golden reflections. Aromas of **grape**, **dried apricot** and syrup on a perfumed background of **orange peel**, **honey** and **dried fruits**. On the palate, it is unctuous, tantalising and citrusy, with a long, persistent finish reminiscent of honey and hazelnuts.
